

DN 50 PVC Drainage Pipe with Round Cross Sections

- ◀ For the discharge of inclined fields
- ◀ For the discharge of underground waters
- ◀ For stone walls
- ◀ For landscaping of parks and gardens

Kolsan Construction, Automotive, Industry and Trade Co. Inc. produces PVC tunnel type drainage pipes (DN 100, DN 150, DN 200, DN 315 and DN 355 with horseshoe cross sections). The firm also imports 50 mm PVC drainage pipes with round cross sections, which are often needed by construction firms.
